Yes ~F02 Fabric Grade 2 ADDITIONAL Special Features Require unit to be 12"W with Cushion PRICER COMMENTS BELOW To have a special pencil tray (special X80-64145-XX) in the storage aligned with the width of the storage, inside the drawer. Will include special file bar PC0861-600+XX to fit in the 12" width of the drawer . Side to side filing only, it will not be possible to file front to back. *** Kindly note: 12"w pedestal reaches the minimum requirements for Bifma standards. But even if we reached Bifma minimum requirements for stability, the end customer may find the storage a bit unstable: We strongly recommend that a mock up is ordered first to evaluate the stability of this unit before ordering a large quantity.
